Livery Starter Kit:

In order to help you keep costs down, we ask you to keep the following equipment outside your horses stable. This ensures that your horse is always receiving the best possible care at no extra charge to you. Please see to it that these boxes are always kept stocked. For your convenience, we will stock your boxes for you and charge to your account if you require. All of this equipment is vital to your horse's well-being. If you wish to bring your own stock, please ensure your boxes are stocked at all times to avoid unnecessary charges to your account. Please make sure ALL your equipment is clearly labeled to avoid things going missing or being used on the wrong horse.
